## BOTHELL SONS OF NORWAY 2-106

### President's Message - January 2026

Happy 2026.

Another successful year at Bothell Sons of Norway is now officially in the books, marking a time for reflection on our accomplishments and anticipation for the year ahead.

At this month's general meeting on January 15 we will install the new lodge officers. It is a vital moment of transition, ensuring the continued leadership and vibrancy of our lodge. As is tradition, we will be formally handing the gavel over to your new president, Bill Hicks. Please join me in congratulating him and offering your full support as he steps into this important role. Don't forget to wear your special Norwegian sweaters for this event.

It has been a profound privilege and an honor to serve as your president for the past two

President Patty Blegen

years. I've cherished the opportunity to work alongside so many dedicated members. Together, we successfully hosted our first annual Scholarship Dessert Auction, a popular Bazaar and Bake Sale, served nearly 600 guests at the Lutefisk and Meatball dinner, and offered numerous culture classes, including two cookie classes and a Norwegian Brunch class. I look forward to continuing to serve the lodge in a new capacity as the lodge counselor.

On a separate and more somber note, my thoughts are with all those in our region and community who were recently impacted by the significant flooding that occurred. The safety and well-being of our

members is always paramount. It is my sincere hope that you, your friends, and your family are safe and that any damage sustained is minimal.

I look forward to seeing you at the general meeting as we officially kick off 2026! Please remember to check the Nyheter or website for upcoming events.

May the year ahead bring good health, fellowship, and prosperity. Thank you for the warmth, friendship, and shared traditions that make our lodge such a special community.

Wishing everyone at the Lodge a Happy New Year!

Patti Blegen

## You Cared and You Shared — You are Fantastic!

*By Kay Schertzl*

Our Tenth Annual Thanksgiving Dinner Harvest for Hopelink was a wonderful evening of good food, good spirits and sharing with our neighbors in need.

More than \$2,000 and 134 pounds of food were donated to Hopelink.

Twenty-three volunteers worked 164 hours and we served 101 dinners. With a grant from Thrivent Financial, a contribution from the lodge to cover a few extra food expenses, and the donation of food costs from three of our cooks, we contributed all dinner money collected to Hopelink.

You as members did a great job meeting and exceeding our cash donation challenge, giving a total of \$1,057 — a record of funds collected! With this amount, our total cash donation to Hopelink came to \$2,080. In addition, you brought in 134 pounds of food and other items for the food bank. Hopelink was very grateful for everything they received.

**hopelink**

To all of you for your hard work, your attendance and your contributions: “mange tusen takk,” or many thousand thanks.

# 2025 Lutefisk Dinner Was a Success

*By Chris Hicks, 2025 Leader of the Fish — Lutefisk Dinner Chairperson*

**T**hank you to lodge members and others for a successful 2025 Lutefisk and Meatball Dinner. To all that helped and attended, thank you!

I appreciate the efforts of those that worked at the dinner and the prep days leading up to it, and would like to extend my thanks to everyone that attended with your families.

Here is a breakdown of your outstanding activities:

- On the preceeding Thursday, **25 people** worked a total of **129 hours** rolling **250 pounds** of ground beef and all the ingredients into meatballs.
- On the Friday before, **12 people** came and spent a total of **32 hours** to peel and cut **350 pounds** of potatoes.
- Also on the preceeding Friday, **six people** joined our potato peelers to roll silverware and set tables, totaling **28 hours** of volunteer help.
- On Saturday, lodge volunteers cooked up **500 pounds** of Lutefisk and served more than **591 people**.
- All together, we logged more than **752 volunteer hours** in those three days – thank you again.

I'd like to extend a special "thank you" to **Joan Wraalstad** for the countless hours she put in on taking reservations, and then greeting diners with

**Bob Schertzel** at the cashier table. In addition, "many thanks" to **Mike Nelson** for retrieving all the phone messages and passing them on to Joan, as well as keeping the kitchen moving and on track.

More "special thanks" go to **Diana Hicks** and her team for seating all of our

diners and **Solveig Lindstrom** for managing our dining room and helpers. And "thank you" to **Seth Tufteland** and **Trish Lundeen** for cooking all the fish.

Cost of the dinner was \$40.00 per person and was well worth it for the large crowd that attended. Each year with a few changes we make our dinner a little better. We are fortunate that more and more people are getting the hang of reservations, and most are using email to make them.

Once again, thank you to everyone for a fantastic dinner. We could not do it without each and every one of you. See you next December at the same time on the first Saturday of the month – Dec. 5, 2026.

## Lese Gruppe Meets Jan. 8

Lese Gruppe's next meeting will be on Thursday, Jan. 8, at 10:30 a.m. at the Bothell SON Lodge. All are welcome!

At our December meeting, we discussed "The Christmas Train," by David Baldacci. This novel is filled with memorable characters who have packed their bags for a cross-country trip by train. The delightful story shows how we *do* get second chances to fulfill our deepest hopes and dreams, especially during this season of miracles.

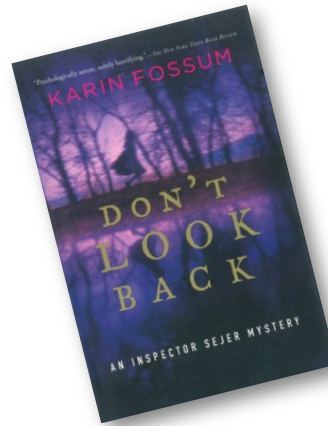

Our reading selections for the coming months are:

- \* **January 8:** "The Writer," by D.W. Ulsterman.
- \* **February 12:** "The Frozen River," by Ariel Larahon.
- \* **March 12:** "The Other Einstein," by Marie Benedict.
- \* **April 9:** "The Summer Book," by Tove Jansson.
- \* **May 14:** "The Ladies Rewrite the Rules," by Suzanne Allain.
- \* **June 11:** "The Frog in the Fjord," by Lorelou Desjardins.

You don't need to read the book to join Lese Gruppe. Contact Myrna Ramstad at 206-365-6913 for information.

## Library Corner by Marlis Pehling, Librarian

For those who like mystery thrillers, we are lucky to have several books written by Karin Fossum, a Norwegian writer whose novels are said to be like Nordic Sherlock Holmes stories.

Often called the "Norwegian queen of crime," Fossum debuted as a poet in the mid-seventies and began writing in the

Nordic crime genre in 1995. She is most known for her Inspector Konrad Sejer series of thrillers that have won several awards including the Gumshoe Award and the Los Angeles Times Book Prize for mystery/thrillers.

We have 13 Inspector Sejer books and they are numbered one through 13 on the inside front covers. You'll find the titles "Eva's Eye," "Don't Look Back," "The Murder of Harriet Krohn," "The Caller," and many more. Happy reading!

To check out resources from the lodge library, please sign the logbook in the Fireside Room.

## Your Cookies and Goodies Help Send a Kid to Camp

Since last year's Dessert Auction was a fun time and huge success — raising nearly \$600 — the Scholarship Committee will once again host a silent auction for desserts and baked goods at the General Meeting on March 18. The auction begins at 6 p.m. with the social hour and continues through dinner, ending at 7:30 p.m. Bidding sheets will be collected and winners will be announced during the meeting.

There are two ways you can help. First, we will need some desserts and baked goods that serve about a dozen to be donated for the auction. Then, second, we will need people to bid on the wonderful and delicious items for which our lodge is known. Dessert will still be served with the dinner so winning items are intended to be taken home to enjoy.

Please be a part of this event to help "sweeten" the scholarship fund and help our deserving graduates with college expenses.

If you have any questions about the Silent Dessert Auction, please contact **Laurie Beach** at [beachplace21@comcast.net](mailto:beachplace21@comcast.net), **Mary Anne Rehbock** at [marehbock@aol.com](mailto:marehbock@aol.com) or **Marianne Eldevik** at [leroyandelsa4146@gmail.com](mailto:leroyandelsa4146@gmail.com).

# King Harald Opens Sámi Parliament

The 10th Sámi Parliament, held October 15, 2025, in Karasjok, Norway, was opened by a special guest. The King of Norway, His Majesty King Harald, was present to perform the ceremonial opening. Also in attendance was His Royal Highness Crown Prince Haakon.

There was an extensive crowd gathered to see the King and Crown Prince enter the Sámi Parliament. Students from Troms Fylke (province) also traveled to the event to see the King and learn about Sámi heritage.

Sámi representative Tom Sottinen speaks at the opening of parliament as King Harald and Crown Prince Haakon (left) listen. Screenshot from NRK broadcast.

In his speech, the King spoke of the reconciliation work that is going on with the Sámi people. He highlighted the importance of feeling proud of one's origins and encouraged all to add to the public conversation.

The Sámi Parliament functions as the central voice for the interests of Sámi people with the Norwegian government and the Storting (national parliament). It was established to help safeguard the traditions, culture and language of Sámi people. Voters of Sámi descent all over Norway cast their ballots for 39 representatives every four years. Silje Karine Muotka, president of the Sámi Parliament, felt very grateful for the King's presence and knows it means a great deal to the entire Sámi population.

Many Norwegians and Norwegian-Americans are of full or partial Sámi descent. The Sámi are an indigenous people with traditional territories within the national borders of Finland, Norway, Sweden and Russia. They have lived in their settlements and moved between areas long before national borders were established. Today, many Sámi have urbanized in varying degrees but large numbers live in the traditional villages and continue to practice long-standing vocations such as reindeer herding.

The Sámi people are addressing the consequences of the "Norwegianization" efforts from the late 17th century until many years after World War II, where Sámi culture was seen as primitive and uncivilized and the govern-

ment's goal was to assimilate non-ethnic Norwegians into a more uniform society of language and practices. Laws prohibited using the Sámi language, restricted migratory living on traditional lands and discounted many Sámi beliefs and ways.

In 1997, HRM King Harold officially apologized for these practices

saying, "The state of Norway was founded on the territory of two peoples - the Sámi people and the Norwegians. Sámi history is closely intertwined with Norwegian history. Today, we express our regret on behalf of the state for the injustice committed against the Sámi people through its harsh policy of Norwegianization."

Today, Sámi National Day is celebrated annually on Feb. 6 across Scandinavia and Russia to commemorate the first international Sámi assembly, held in Trondheim, Norway, in 1917. Locally, the Pacific Sámi Searvi organization – similar to Sons of Norway – provides learning workshops, cultural classes and opportunities to appreciate Sámi heritage and traditions. ## A Note from National: We're Going Paperless

As of September 1, 2025, membership cards will no longer be  
mailed for annual renewals. Members can print off their card from  
the SON website under their profile or save a digital copy to their  
phone to show proof of membership. For members who belong to  
a lodge with property, card mailings stopped as of December 1.

These changes are being made due to the rising costs of postage  
and the organization's  
desire to continue to  
be good stewards of
